

Caribbean™12

SPECS: LENGTH: 12 BEAM: 30 IN WEIGHT: 45 LB

CAPACITY: 300 LB COCKPIT: 18 X 47 IN MATERIAL: CARBONLITE

At 12 feet in length with a 30" beam, the Caribbean 12's stability is extraordinary, yet the highly efficient hull design and hard, abrasion resistant Carbonlite material lets her glide through the water with ease. Also available in the Angler version.

Caribbean™12 Angler

Based on the C12 platform the Angler version also includes:

- Front Hatch Liner
- Installed YakAttack 8" GTTL90 GearTrac
- Installed Footwell Pads
- Installed Flush Mount Sea-Dog Rod Holders x 2
- YakAttack Rod Holder and Track Mount
